ADDITIONAL INFORMATION

Additional Comments:

This is a sole source procurement. Renewing the service agreement with Midwest Fiber Networks for a 10-year term, effective August 1, 2026, through July 31, 2036, is the operationally sound, fiscally responsible, and lowest risk path forward for the District. The renewal preserves existing infrastructure investments, locks in stable pricing, and maintains the continuity of service that District's water reclamation service requires.
