**An Initial Resolution Authorizing the Issuance of Not to Exceed  
\$76,140,000 General Obligation Sewerage System Refunding Bonds**

---

---

The Milwaukee Metropolitan Sewerage Commission (the “**Governing Body**”) of the Milwaukee Metropolitan Sewerage District, Wisconsin (the “**District**”), resolves that it intends to issue its negotiable, general obligation sewerage system refunding bonds in a principal amount of not to exceed \$76,140,000 for the purpose of financing the current refunding of (i) all or a portion of the 2026 through 2034 maturities of its \$100,000,000 Milwaukee Metropolitan Sewerage District, Wisconsin General Obligation Promissory Notes, Series 2015A, dated May 11, 2015, and (ii) all or a portion of the 2026 through 2028 maturities of its \$47,765,000 General Obligation Sewerage System Refunding Bonds, Series 2015C, dated October 21, 2015. The bonds will be issued under Chapter 67 and Section 200.55(2) of the Wisconsin Statutes. The bonds will be sold and issued in whole or in part from time to time, and the amount of bonds issued will not exceed the limits provided by law.
