Dear Mr. Ganzer,

Thank you for your letter of December 2, 2024, notifying us of your intention to destroy obsolete records of the Milwaukee Metropolitan Sewerage District:

- Diggers Hotline Records, 1999-2009

The Wisconsin Historical Society declines your offer of the records being offered and waives the sixty-day notification period specified in Wis. Stat. § 19.21. You may use this letter as an authorization to dispose of future records created in those series without having to provide notification to the Society. You are still required to maintain future records created in this series for the minimum retention time specified in Wisconsin Statutes or as specified in schedules approved by the Wisconsin Public Records Board.

Sincerely,
