OUTREACH INFORMATION

The Procurement team performed the following outreach: advertised in the Daily Reporter; sent an e-mail notification to all registered firms in the Construction category; sent targeted e-mails to 33 S/W/MBE firms specializing in electrical work, mechanical work, metalwork, and painting; and notified the various local chambers of commerce. The bid opportunity is also publicly accessible from the MMSD website and Quest CDN. Quest CDN also performs outreach to its users when a bid is posted.

S/W/MBE Planholders:

Energenecs, Inc.; Mill Equipment; Price Erecting Co., Inc.; Thomas A. Mason Co., Inc.

If no or low S/W/MBE participation, explain why:

Approximately 80% of the contract is equipment and material purchases, which leaves limited opportunities for S/W/MBE participation. However, J.F. Ahern made good faith efforts to maximize S/W/MBE participation where possible, including advertising in the Daily Reporter and soliciting bids from 17 S/W/MBE firms for demolition, electrical, and painting work. Of the 17 S/W/MBE firms solicited, only 4 firms submitted a bid.
