If no or low S/W/MBE participation, explain why:

Over 85% of this project is material and equipment, leaving limited opportunities for S/W/MBE participation. The prime sought participation by soliciting with S/W/MBE firms individually. Over 20 S/W/MBE firms were contacted for services. As a result, two S/W/MBE firms, Hurt Electric and PL Freeman responded and were selected to participate in this project. None of the S/W/MBE firms in the trucking commodity responded to Lee Plumbing Mechanical Contractors' request for services.
