## OUTREACH INFORMATION

The Procurement team performed the following outreach: advertised in the Daily Reporter, sent an e-mail and sent targeted e-mails to potential prime bidders and sent targeted e-mails to S/W/MBE firms. The bid opportunity is also publicly accessible from the Veolia and QuestCDN websites.

### S/W/MBE Planholders:

Crane Engineering Sales, Sabel Mechanical LLC, Zien Mechanical Contractors

### If no or low S/W/MBE participation, explain why:

Over 87% of this project is material and equipment, leaving limited opportunities for S/W/MBE participation. Butters-Fetting sought S/W/MBE participation by soliciting five S/W/MBE firms: one construction firm, three painting firms, and one electrical firm. Three S/W/MBE firms submitted a quote to the prime, and two were accepted for this project.
